

**CENTURYLINK® LINE VOLUME PLAN – CENTURYLINK ILECS
ACKNOWLEDGMENT FORM (“Acknowledgment”)**

1. Acknowledgment; Definitions. CenturyLink Line Volume Plan (“CLVP”) provides rates for Eligible Services based on Customer’s purchase of 10 to 3,000 Contributory Access Lines, as described below. BOONE COUNTY REGIONAL SEWER DISTRICT (“Customer”) hereby acknowledges they are ordering the CLVP provided by the CenturyLink ILEC (“CenturyLink”). CenturyLink will provide Eligible Services and the CLVP under the applicable CenturyLink Tariff which is incorporated by reference and made a part of this Acknowledgment. Unless otherwise provided in a Tariff, Tariffs are subject to change during the Term. Lines and/or key trunks provided by a CenturyLink ILEC which are already discounted under an existing term discount plan, line volume plan or any contractual arrangement which contains a volume or minimum term commitment, may contribute to the aggregate line count used for determining the applicable tier and rates for services under this CLVP, but are not eligible for additional discounts under this CLVP.

“CenturyLink ILEC” means the CenturyLink local exchange carrier providing service at a Customer Service Address. To locate the name of the CenturyLink ILEC, look for the NPA-NXX in the first column of the table at http://www.centurylink.com/tariffs/NPANXX_Entity.pdf. The NPA-NXX is a number consisting of an Area Code plus the first three digits of the telephone number. The NPA-NXXes listed for each exchange are only those assigned to CenturyLink. NPA-NXXs associated with numbers ported from another carrier are not included.

“CLVP Feature Package” means Customer’s choice of any of the following optional features, where offered by CenturyLink. in conjunction with Eligible Services: Caller ID with Name (includes Anonymous Call Rejection, where available), Call Forwarding, Call Forward Busy-Fixed, Call Forward-Remote Activation, Call Forward No Answer-Fixed, Enhanced Call Waiting, Call Waiting ID, Three-Way Calling, Three-Way Calling with Transfer, Return Call, SignalRing Plus, Message Waiting and Voicemail. The terms and conditions for optional features are described in the applicable Tariff.

“Contributory Access Lines” means the aggregate number of Customer’s existing and new local business exchange access lines that will be considered for purposes of determining the applicable Line Tier. Contributory Access Lines include (a) Customer’s new access lines and (b) Customer’s access lines set forth in any CenturyLink existing term discount plan, line volume plan or any contractual arrangement which contains a volume or minimum term commitment, including, at Customer’s request, a CenturyLink Line Volume Plan offered by Qwest Corporation, a CenturyLink affiliate. Contributory Access Lines may also include Customer’s access lines or key trunks in any packaged service. The Contributory Access Lines will be aggregated across all CenturyLink entities, and will be determined conclusively by CenturyLink records.

“Effective Date” means the effective bill date of the first service order to add CLVP to Customer’s account.

“Eligible Services” mean (a) flat rate business individual lines and (b) flat rate key lines or key trunks offered by a CenturyLink ILEC within its local serving area.

“Tariffs” means (a) the CenturyLink tariffs available at www.centurylink.com/tariffs or (b) the guidebooks, price lists, local terms of services or other deregulated terms and conditions under which CenturyLink provides detariffed CenturyLink ILEC services in certain states available at https://www.centurylink.com/tariffs/LTOS_Business_CLVP.pdf.

2. Term. This Acknowledgment will expire two (2) years from the Effective Date (“Initial Term”). At the end of the Initial Term, the Acknowledgment will automatically renew for up to two consecutive renewal periods equal to the Initial Term (a “Renewal Term”) unless either party provides 30 days written notice of its intention not to renew or Customer executes a new CLVP agreement. The Initial Term and each Renewal Term are together referred to as the “Term.” If CenturyLink continues to provide Service after the Term without a further agreement, the CLVP rates will be discontinued and Service will continue at the then applicable month-to-month rate and terms and conditions of the Tariff.

3. Contributory Access Lines, Line Tier and Rates. Based on 19 Contributory Access Lines, Customer will pay the Monthly Recurring Charges (“MRCs”) listed on Exhibit 1 for the 10-49 lines line tier (“Line Tier”) for all Eligible Services and CLVP Feature Packages purchased during the Term. The MRCs listed on Exhibit 1 will (a) not change during the Term of this Acknowledgment; (b) commence on the Effective Date; (c) not be applied to more than 3000 Eligible Service lines; and (d) terminate upon expiration of the Term. CenturyLink will waive initial service charges for switching existing service to a CLVP or for moving services from another telecommunications service provider to a CLVP. CenturyLink will charge Customer all other nonrecurring charges (“NRCs”), taxes and surcharges as specified in the Tariffs including service charges for additional lines. Eligible Services under this CLVP are not eligible for discounted rates under any other CenturyLink local voice discount plan.

4. Changes. Customer may add Eligible Services during the Term. MRCs for added Eligible Services will commence on the effective bill date of the service order to add CLVP to the additional Service and terminate upon expiration of the Term. Additions to the Contributory Access Lines will not change the MRCs under this Acknowledgment. CenturyLink will charge Customer the MRCs listed on Exhibit 1 based on the Line Tier listed in Section 3 for the new Service location. Customer may change Service locations without incurring termination charges as long as Customer maintains the Minimum Line Requirement.

5. Minimum Line Requirement, Annual Audit, Shortfall Charge. Based on the Line Tier, Customer must maintain 10 Contributory Access Lines (“Minimum Line Requirement”) during the Term. At the end of each 12 month period following the Effective Date (“Annual Period”), CenturyLink will conduct an audit to determine the number of Customer’s operational Contributory Access Lines (“Line Count”). If after each Annual Period Customer’s Line Count fails to meet or exceed the Minimum Line Requirement, CenturyLink will charge Customer a shortfall charge of \$60 for each line below the Minimum Line Requirement (“Shortfall Charge”). The optional CLVP Feature Package is not subject to a Shortfall Charge. If Customer is charged a Shortfall Charge, CenturyLink may subsequently conduct quarterly audits and apply Shortfall Charges until Customer meets the Minimum Line Requirement. In no event will the number

ACKNOWLEDGMENT FORM (“Acknowledgment”)**

of actual Contributory Access Lines in excess of Customer’s Minimum Line Requirement in a particular Annual Period be “rolled back” or “carried over” for purposes of achieving Customer’s Minimum Line Requirement in a prior or subsequent Annual Period.

6. Termination. If CenturyLink terminates the Services on Exhibit 1 for cause as permitted by the Tariffs, or before expiration of the Initial Term Customer terminates this Acknowledgment or Services on Exhibit 1 in their entirety, Customer will be liable for a termination charge of \$15 per line of the Minimum Line Requirement, multiplied by the number of months remaining in the Term (“Termination Charge”). The optional CLVP Feature Package is not subject to a Termination Charge. CenturyLink will waive the Termination Charge if Customer signs a new term agreement that includes the same or greater number of equivalent lines or similar services for the same or greater term than this Acknowledgment. Services in the new agreement may be provided by any CenturyLink affiliate. Months accrued under the Term will not apply towards the new commitment period.

7. General. Customer may not assign this Acknowledgment or any of its rights or obligations hereunder without the prior written consent of CenturyLink, which will not be unreasonably withheld. Customer may not assign to a reseller or telecommunications carrier under any circumstances. If a conflict exists among provisions within this Acknowledgment, the following order of precedence will apply in descending order of control: Tariff, this Acknowledgment, and CenturyLink records. This CLVP supersedes any CLVP for the same lines.

This Acknowledgment constitutes the entire understanding between the parties and supersedes all prior oral or written agreements or understandings relating to this subject matter. Using CenturyLink’s electronic signature process for this Acknowledgment is acceptable.
