RE: Kinkade Transfer Switch

We are pleased to provide this Estimate for the labor and material to complete the electrical installation as listed below

Includes:

- Includes providing and installation of a 400 amp 230 volt, 4 pole , non service entrance transfer switch to replace the existing switch.

Labor and Miscellaneous material	\$1,806.00
Transfer Switch	\$4,307.00

Remarks:

- This proposal is based upon completion during normal hours.
- This changeout will require the power to off for 4-8 hours.
- Lead time for the transfer switch is 12-14 weeks.

Please do not hesitate to let me know if you have any questions or concerns.

Respectfully,

Please proceed with this project
