Request for Consent to Serve – Harasha Tract

Mr. Rattermann and Staff,

On behalf of my client, James and Rita Harasha, we are requesting the Boone County Regional Sewer District grant a consent to serve letter for a proportion of our property for a future development. Please see Exhibit 1 which identifies the parcel of land that goes with this request.

Thank you for helping work through these details as we try to move forward with developing the property. Please give me a call if there are any questions.

A handwritten signature in black ink, appearing to read 'Keenan Simon', is written over a light grey horizontal line.
