SUBJECT: BCRSD Mission Statement – Recommendation

After discussion at the April 26th and May 2nd 2022 Operations Committee meetings, an updated mission statement was developed.

Current Mission Statement - Our mission is to provide superior wastewater management and related services to protect public health and the environment now and in the future.

Proposed Mission Statement – Our mission is to provide current and future customers with cost effective, reliable sanitary sewer service by collecting and treating wastewater, and to protect public health and the environment in accordance with local, state and federal permit requirements.

Staff recommends adopting the mission statement proposed by the BCRSD Operations Committee.
