Mayor and Board of Aldermen
City of Renick, Missouri
Renick, MO

RE: Wastewater operations and maintenance - City of Renick, Randolph County, Missouri

Dear Mayor and Board Members:

I am writing to you on behalf of the Boone County Regional Sewer District's Board of Trustees. Enclosed please find a cost estimate for wastewater operations and maintenance.

First and foremost, we believe that the Sewer District is well qualified to provide operations and maintenance of Renick's wastewater collection and treatment system. Our equipment and personnel stationed in Columbia are about 30 minutes away from Renick. Our wastewater operators located in Columbia are skilled in operating wastewater treatment systems and have the most advanced certifications from the Missouri Department of Natural Resources (MDNR). Our management staff have a wealth of experience dealing with the technical, financial and regulatory issues involved in operating a wastewater utility.

Further as part of developing the Sewer District's proposal to Renick, we closely examined the collection system and the treatment system.

If the cost estimate is acceptable to you, please let me know and I will prepare an agreement for us to sign. This estimate does not include mowing the land application site. If you would like an estimate for mowing the land application site, please let me know. Thank you for the opportunity to work with you on this matter. If you have any questions, please call me at 573-443-2765.

Sincerely,
BOONE COUNTY REGIONAL SEWER DISTRICT

Tom Ratermann, PE
General Manager
