Contract Agreement

Project Description

To provide installation of new fence at remaining perimeter of Brookfield Estates Wastewater Treatment Plant per BCRSD request.

Scope of Work:

Additional fencing requested by BCRSD due to weathered and degraded condition of existing fence due to age and other factors. New fence quantity per layout will be ± 154 linear feet and at completion will constitute new 8-foot tall wooden privacy fence at the site perimeter. This work also includes a single drive through metal framed gate with cedar plank veneer to be added at the east (lake side) fence. Exact location of the gate to be determined by BCRSD's representative.

Total not to exceed cost is \$7,180.60.

Payment:

Payment shall be due Net 30 days from Huebert Builders, Inc. (HBI)

Terms and Conditions:

As set out in the attached Change Order Request from HBI dated April 18, 2023. Said Change Order Request is incorporated into this agreement by reference.

An insurance certificate acceptable to the BCRSD will be provided by HBI.

BCRSD is tax exempt and a Tax Exemption Certificate will be provided.

Schedule:

To commence upon signed acceptance of this proposal.
