Notice is hereby given that the Boone County Regional Sewer District will conduct a public hearing in compliance with Chapter 250.233 of the Revised Statutes of Missouri to consider a proposed 2.5% increase to sanitary sewer rates. The proposed rates are: \$28.35 base service fee, \$8.71 per 1,000 gallons of water usage fee; Rate B- STEP system \$18.40 surcharge; Rate D- SDVG \$8.92 surcharge; Rate E- STEP system \$20.65 surcharge; Rate F- Grinder pump \$22.50 surcharge. The new rates are proposed to be effective July 1, 2024. This rate is recommended by a User Rate Study and the Board of Trustees based upon the estimated cost to keep up with on-going operation and maintenance expenses, provide adequate debt service coverage for existing loans, and to provide capital to rehabilitate/replace infrastructure.
