RE: 200 W Old Plank – Consent to Serve

Dear BCRSD:

On behalf of my clients Jeremy A. Spillman, Jessica L. Spillman and Brooks Chandler, we are requesting that the BCRSD consent to allow the City of Columbia to provide sewer service to 200 W Old Plank. The property is located on the south side of West Old Plank Road, West of Bethel Church Rd. The existing gravity sewer located on the East side of the property is an existing BCRSD facility. The property was annexed a few years ago and has recently been rezoned for a cottage style development. The intent is to tie to the existing gravity sewer (BCRSD facility) to serve the property. Please see attached display for reference.

Please let me know if you have any questions.

Sincerely,
Keenan Simon, P.E.
