Sandi,

Status (7-11-24) of activities at Dewey Lane for BOT update:

1. BCRSD responded to the resident that attended last months Board meeting as to the reasoning behind the Boards decision at the last meeting
 - a. The response was crafted by legal counsel and reviewed by Staff before responding
 - i. attached
2. BCRSD responded to the request for comment from a local news agency
 - a. The same agency that attended the last Board meeting
 - b. The response was crafted by legal counsel and reviewed by Staff before responding
 - i. attached
3. The resident that attended the last Board meeting later requested the names of the persons seated at the table with me
 - a. BCRSD provided these names
4. The second resident on Dewey lane phoned the office and advised that they would give us ‘till the end of the day’ to make things right or they would contact the news media as well
 - a. We have heard nothing further from them on this
5. I have been checking the ABC 17 news site for updates on this story periodically and have not seen any further commentary

Thanks,

Joe Foster
