Dear Board of Trustees,

Purple Wave was able to inspect all of the surplus property to be disposed of on 6-12-2025. Currently, it is being processed, and they have indicated they will send me an e-mail link to the listing once it is live and posted. I intend to forward that link to the board and the employees of the district once it goes live. I'll inform you again once the auction has closed and report back the revenue generated by the sale.
