Issues to be aware of: Hartsburg ARPA Sludge bids received. Remaining funds will determine what percentage of the SAGR system project can be completed. Phase 2 Package will allow for several alternates. Rocheport Easement has been prepared and ready for signature from Midwest Winelands. Richardson Acres/ Brown Station has been awarded \$1,000,000 grant from SRF on the draft Intended Use Plan. This will be formalized soon to move forward as a project.
