Dear Board of Trustees,

The user rate study has been advertised and is out for proposal. We had a request to extend the proposal submission deadline, and in order give offerors sufficient time to review available information, we extended the bid deadline until October 29th. At that time, we will evaluate the proposals. If there are any board members that would like to review the received proposals, let me know and we can have a review meeting after the 29th. Otherwise, I'll review all proposals to make sure they are responsive and make a recommendation of award at the November board meeting.
