Dear Board of Trustees,

Please find attached the advertisement for the RFP for the Rocheport ARPA lift station project. At the time of this e-mail the final plans and specs are still under review. I will post those as quickly as possible, but not likely until Monday. Feel free to review the documents, even after the board meeting. We still have an opportunity to issue an addendum. However, due to the tight timeframe for this project:

I'm seeking a motion to allow the interim executive director to advertise and solicit bids for RFP #09-2025 Rocheport ARPA Lift Station Project.
