

NOTICE OF PUBLIC MEETING – 10/15/2025

The Boone County Regional Sewer District will hold a second public meeting on October 15th, 2025, at 5:30 PM, at BCRSD's office at 1314 N. 7th Street, Columbia, Missouri, 65201. Details on how to attend virtually are provided below and are available by emailing BCRSDCustodian@bcrsd.com, as it will be also posted on our website www.BCRSD.com. Please note that there is very limited seating in person and kindly ask to utilize attendance via the online meeting option.

This meeting offers another opportunity to share information about proposed updates to the Area-Wide Management Plan (AWMP) and Capital Improvement Plan (CIP). These long-range plans outline future sewer service needs, potential projects, and infrastructure investments throughout the District. Residents will have the chance to learn how these plans may impact their area, ask questions, and provide feedback before final updates are made. Community input plays a key role in shaping how and where sewer improvements are prioritized in the years ahead.
