RE: Recommendation of Award
Hartsburg WWTF - Treatment Upgrades
BCRSD Project Number: 08-2025, Lochmueller Project Number: 524-10-25-01W - Phase 2

Dear Mr. Stephens:

The bid letting was held December 3, 2025 at 2:00 P.M. at the office of the Boone County Regional Sewer District for the above referenced project, where two (2) bids were received and read aloud. For the sum of the Base Bid and all four alternates bids ranged from \$851,960 to \$939,675. The apparent low bid was submitted by Irvinbilt Constructors, Inc, which had the lowest amount for the Base Bid alone and with the consecutive addition of each Alternate Bid. A copy of the bid tabulation is attached for your review. No bidders were declared non-responsive.

Lochmueller Group recommends award of the project to Irvinbilt Constructors, Inc. upon submittal of required documents, as funding allows for either:

- the Base Bid (\$145,000) alone or
- the Base Bid plus Alternate 1 (\$92,500) for a total of \$237,500.

A. Within 10 days of Owner's request, per Instruction to Bidders Article 3.01:

1. A written statement that Bidder is authorized to do business in Missouri, or a written certification that Bidder will obtain such authority prior to the Effective Date of the Contract.
2. Bidder's state or other contractor license number, if applicable.
3. Subcontractor and Supplier qualification information. State if none are used.
4. Completed Business Entity Certification, Enrollment Documentation, and Affidavit of Work Authorization.

B. Prior to Contract Award, per Section 01 10 00, paragraph 1.4.F:

1. List of all equipment and gross vehicle weights (empty and loaded) Bidder intends to transport across the Katy Trail.

C. Per Notice of Award:

1. Four (4) counterparts of the Agreement, fully executed by Bidder.
2. With the signed Agreement, the Contract security (such as performance and payment bonds) and insurance documentation as specified in the General Conditions Article 2 and 6 and Supplementary Conditions, Article 2.01B.

Should you have any questions, please contact me at (573) 340-5288 or elke.boyd@lochgroup.com.

Sincerely,

Lochmueller Group, Inc.

A handwritten signature in blue ink that reads "Elke Boyd".

Elke Boyd, P.E., BCEE
Senior Project Engineer
