Dear Board of Trustees,

I'm seeking consent to allow the City of Columbia to provide sewer service to 7208 I-70 Drive SE by connecting via a BCRSD owned sewer line on the property. The property is being annexed and is outside of a cooperative agreement area between the City and BCRSD, with the City of Columbia as the treatment provider.

***RE: 7208 I-70 Dr. SE – Consent to Serve***

Dear BCRSD:

On behalf of my client, Judith A. Dothage, we are requesting that the BCRSD consent to allow the City of Columbia to provide sewer service to 7208 I-70 Dr. SE. The property is located on the south side of I-70 Dr. SE., East of N. Easter Ln., Parcel ID: 17-314-11-00-010.00 01. The existing gravity sewer located on the West side of the property is an existing BCRSD gravity sewer main. The property is currently being annexed to the City of Columbia. The intent is to tie to the existing gravity sewer (BCRSD facility) to serve the property.

Please let me know if you have any questions.

Sincerely,
