Subject: Consent to Serve Request - 1404 S. Cedar Grove Blvd

Board of Trustees,

The property owner located at 1404 S Cedar Grove Blvd is currently applying for a contiguous pre-annexation agreement through the City of Columbia. The property owner and the City of Columbia Planning Division have asked for the BCRSD Board of Trustees to consent to allow the City of Columbia to provide public sanitary sewer to this property. The City of Columbia's public sewer main is currently located to the East of the property. The BCRSD and the City of Columbia have a joint cooperative agreement in this region of the county. The Grindstone Creek Watershed Cooperative Agreement, dated March 10, 2005, exhibit A is shown below. The property located at 1404 S Cedar Grove Blvd is highlighted, and is located outside of the boundary of the agreement.

Thank you,

Daniel Cunningham, Project Manager
