Dear Board of Trustees,

I'm happy to report that the Clean Water Commission (CWC) unanimously approved the BCRSD Area Wide Management Plan at their July 15th meeting. The commission and DNR staff was complimentary of the plan and for the collaboration efforts that were made. The approval of this plan renews our Tier 2 authority for the next 10 years at which time an updated plan would need to be approved in order to have continued renewal of the Tier 2 authority. DNR staff reviewed the statue with the CWC and explained how our plan met or exceeded each of their requirements. The final version of the plan will remain posted on the "Public Notices" section of the website.
