Dear Board of Trustees,

Last month we discussed presenting a resolution of appreciation to Boone Electric for their years of Service helping BCRSD. I have a draft format of that resolution for review. If you could review in the next couple of weeks and let me know if you would like to see any changes to this. I would like us to formally vote on this resolution at the November meeting, so I can work out a time to have it framed and presented to the BEC Board at one of their future meetings.
